Ok, that sounds great...there are only 2 police officer witnesses on this case, so I expect that the case will go quickly. We may be able to finish everyone all in 1 day. I can certainly call you right after the officers to free you up for Tuesday and if that works, you'd be all set for the 23rd.

Hi Eileen-

The only day next week that I may have a conflict with would be the 23rd as I am suppose to be in New Bedford that day. Lately we've actually been 'on call' for them, but if I warn them about your Superior Court case, I'm sure that something could be worked out to accommodate the both of you.

Hi Sonja,
Good ole [REDACTED] will be coming up for trial next week on Monday, August 22. I just got word from the clerk in that trial session. Is that ok for you?

Sounds great! (I quoted the doofus defense attorney) Thanks Sonja!

If by "the write-up on the underlying data associated with the analysis on this case" you mean a discovery packet, no problem. If not, let me know. I'll probably be able to get it done this morning and I shouldn't have any trouble faxing it to you (by first glance, it doesn't look like it will be that lengthy).

Hi Sonja,

This case is coming up for trial, but it probably won't be until after the July 4th week. Could you send me the write-up on the underlying data associated with the analysis on this case? The defense counsel asked for it, but very late...the judge was not happy with him but asked that I make an effort to get the documents as soon as I could. I think you faxed it to me the last time (#781-4745). I'll keep you posted on the next date. Thanks!

Hope all is well.
